INTRODUCTION

Section 01

Introduction

Unesia Aluminium Contracting Company, L.L.C. was established in 1981 and over the past years has grown into a leading Aluminium Fabrication, Carpentry and Design Work Contractor supplying and installing a wide variety of systems to meet the demands of the construction industry.

Commercial & residential developments have been successfully completed throughout U.A.E. High standards are ensured by the efforts of our professional and experienced managers and engineers.

Our workshop and processing facilities include a highly qualified and experienced team of technical personnel and skilled work force utilizing a fleet of latest production machines, equipments and resources.

Our management team ensures a successful transition from contract award to design, procurement, fabrication and installation to final completion are provided to valued customers.

Section 01

Introduction

Unesia has been successfully executing high quality architectural aluminium, glass, carpentry and interior decoration works for an impressive portfolio of value-conscious clients.

The company has to its credit many prestigious projects, executed not just in the Emirate of Sharjah, but all over the United Arab Emirates and the GCC countries such as Defence Building, Etisalat Building, EPPCO Filling Station and Marriott Hotel Staff Accommodation. A comprehensive list of completed jobs is presented here to reflect the varies types of projects that we have participated in and the consultants we have worked with. Our confidence in being able to execute diverse projects can be attributed to our skilled technicians, coupled with our long standing experience in the regional market.

Hilton Hotel - RAK, UAE

Sports City Residential Building
- Dubai, UAE

Sulaimania Hotel - IRAQ

Section 01
